NATIONAL ANTHEM

Nigeria, we hail thee,
Our own dear native land,
Though tribes and tongues may differ
In brotherhood we stand,
Nigerians all, and proud to serve
Our sovereign Motherland.

Our flag shall be a symbol
That truth and justice reign,
In peace or battle honour'd,
And this we count as gain,
To hand on to our children
A banner without stain.

O God of all creation,
Grant this our one request.
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

NATIONAL PLEDGE

I pledge to Nigeria, my country
To be faithful, loyal and honest
To serve Nigeria with all my
strength
To defend her unity and
uphold her honour and glory
So help me, God.

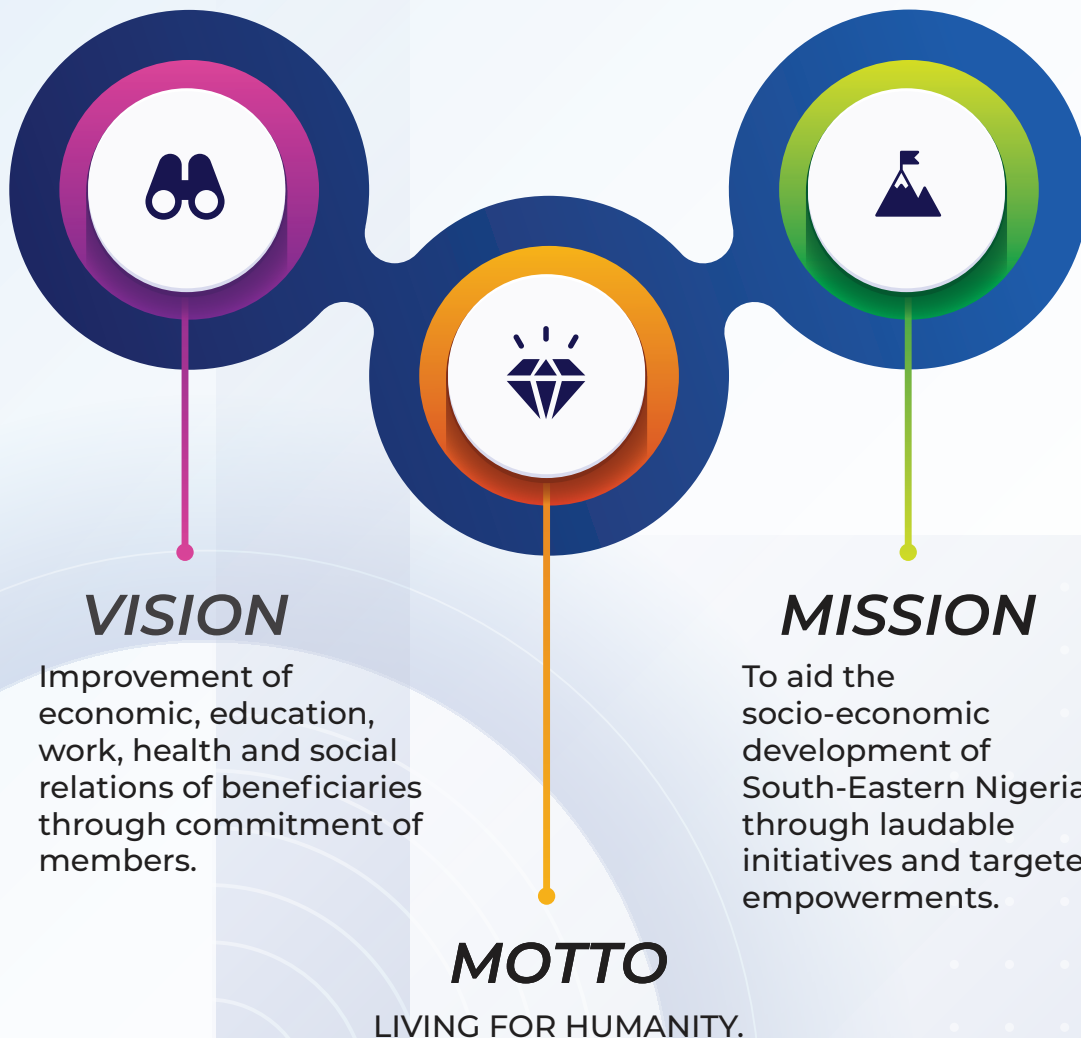

WHO WE ARE

DE IMPERIAL PHILANTHROPIC FAMILY (DIPF) is a group of patriotic, responsible, responsive and dutiful persons, drawn from the South-Eastern demographic, of Nigeria, and across global Disapora.

WHO WE ARE NOT

1. Not a club, society or Political Pressure Group
2. Not politically attached to any known political party or caucus
3. Not known or identified by any particular state in the southeast region.
4. Not driven by any political aspiration, interest or sponsorship of anyone harbouring a political interest.
5. Not affiliated to, or associated with, any club, Pressure Group, politically- exposed bodies or movement.

ABOUT

DE IMPERIAL PHILANTHROPIC FAMILY (DIPF) is a Body Corporate, fully registered with the Corporate Affairs Commission (CAC) and founded in 2021. Its membership is, largely, composed of Private Sector Operators, drawn from divers Business and Entrepreneurial inclinations, in Nigeria, and the Diaspora.

The Institution's Ideology rests on Humanitarian commonalities, manifesting in compelling imperatives of providing exigent Helpline Templates, in tackling issues of Maternal Death challenges, by erecting Cottage Health Facilities; Equipping already existing (but, poorly managed) Health Centres; Stimulating Educational Development through processed Scholarship Schemes and sundry Awards for all levels of Academic Excellence; Providing Technical Aids for Skills Acquisition and investing in Ventures, through which there is an intentional Institutional Reduction in Unemployment, Drug/Substance Abuse, Thuggery, Banditry, Armed Robbery and several other Anti- Social indulgences, thereby, retooling the Southeast, as a veritable Hub for Socio-Economic Growth, Development and Prosperity.

DE IMPERIAL PHILANTHROPIC FAMILY recognises the Southeast Geopolitical Region, of Nigeria, as its catchment Humanitarian Jurisdiction, driven by an overriding Motto, "LIVING FOR HUMANITY".

A BRIEF PRESIDENTIAL STATEMENT

AT THE
POST-AGM GALA NIGHT

OF:
DE IMPERIAL PHILANTHROPIC
FAMILY (DIPF)

TAGGED:
ASCENSION NIGHT

HELD AT:
MONARCH EVENT CENTRE,
LEKKI, LAGOS, NIGERIA.
ON THE 1st NOVEMBER, 2025.

*"The best way to find yourself
is to lose yourself in the service
of others (humanity)."*

- *The thought factory*

Very distinguished members of our noble organization, I welcome you, together with your families and guests, to this evening that is fittingly tagged, **"ASCENSION NIGHT."**

Our just concluded 6th Annual General Meeting (AGM) will, for a long time resonate in the consciousness of our local, regional and diaspora demographics,

as profoundly historic, epoch-making, and vibrantly strategic.

The quality plenary engagements, interactions, roadmap re-jigging, and top-notch recognition and presentation of deserving laurels to Awardees and an Honoree, have, admirably, set our organization, poles apart and unmatched in the comity of similar organizations in Nigeria and elsewhere.

To this end, I must salute members of the Executive Committee, College of Commanders, the Chancellor, our indefatigable Consultant, our ever supportive Grand Patron, and Patron. Added to this list in my appreciation are persons and sub-committees who worked tirelessly throughout the days of planning and preparations. May God bless you all. Our teeming local and diaspora membership is not left out in my appreciation also.

It is, therefore, deserving for us to gather, this evening, to unwind, dine and savour the superlative success of our 6th AGM.

However, I plead that, we always set our gaze on our kiths and kin who, across the southeast, are unable to live their best lives by reason of social, medical and material absences.

That is what we represent, individually and organizationally. The quotation in the beginning of this brief statement speaks to this reality. As I wish you an exciting evening of merriment, may the thought of an even greater 7th Annual General Meeting, in 2026, God willing, agitate our minds.

Please, Umu nnem, Enjoy.
Thank you for your kind attention.

President,

MAZI IGWE, SUCCESS UKACHUKWU
(CHIEF OGBATURU ENYI NDI ILO NA AROCHUKWU)

BRIEF BIOGRAPHY

BIRTH AND FAMILY BACKGROUND

Here is a brief sojourn into the life of this great achiever, Mazi IGWE, Success Ukachukwu (Chief Ogbaturu Enyi Ndi Ilo Na Arochukwu) who has positively affected a lot of people in several ways. He was the first child and first son born to Mazi Sunday Chukwu Igwe and Lolo Roseline Igwe of Arochukwu in Arochukwu LGA of Abia State. He was born in Abakiliki, in Ebonyi State (then under Enugu State, Nigeria) on the 15th January, 1975. He hails from Amuvi Autonomous Community, in Arochukwu LGA of Abia State. His arrival as the first child and son of his parents brought so much joy that he was named UKACHUKWU, interpreted to mean 'Fulfilment of Gods Promise'. He is a bright young boy who was always available to help out with chores whenever required as a growing child. He was baptized into the Christ Apostolic Church after his birth and received his first holy communion quite early. His father was hard working and alongside his mother. He spent his early childhood living with his

parents and in the process, imbibed all the virtue of being hardworking and focused which were later to spur him to successes and achievements in his life time.

EDUCATION AND EARLY LIFE

It is significant to note that Mazi IGWE, Success Ukachukwu had a deep passion for education. Thus, he began his academic journey early at Azuzuru Primary School, Nkalagu, Ebonyi State in 1982. He consistently ranked among the top in his class all through his elementary school. Undaunted by several challenges, he sat for, and obtained, his First School Leaving Certificate (FSLC) in 1988. This prepared him well and enabled him gain admission into the prestigious Model Comprehensive Secondary School, Nkalagu, Enugu State in 1989. Here again, he demonstrated his academic prowess by consistently maintaining his position among the best in his class. His academic excellence was not diminished as he sat for, and successfully passed all his papers in the West African School Certificate Examination (WASC) in 1994. This feat was even more remarkable given the fact that he was among the youngest in his class at the period. The loss of his father to the cold hands of death at this point marked an abrupt stop to his pursuit in academics but his uncle, Mazi Michael Okereke, intervened and introduced him into apprenticeship in the business world under his tutelage.

Therefore, his academic success in school was followed up by his sojourn into business apprenticeship under his uncle's business, Micky Electronics, in the year 2000. He did not stop to excel during this apprenticeship and was, as is traditional, blessed and commissioned to begin his own business venture in the year 2003. All through his early life, school and apprenticeship, Mazi IGWE, Success Ukachukwu never joked with learning and improving his self. This orientation has continued to fundamentally drive his life and the numerous successes he has recorded within and outside the business world. It is also a virtue he has continued to imbibe in his children, associates and friends.

BUSINESS CAREER

Mazi IGWE, Success Ukachukwu has continued to have a splendid business career. His business career began with his apprenticeship from 2000 to 2003. Though short, this experience became a springboard which propelled him into further endeavours and achievements in his business career. Having built his business from 2003 to 2007, he decided to establish his first formal business under the Success Computers acronym. His superior business acumen soon attracted several business offers and engagements from several business personalities and establishments in Nigeria and beyond. At present, he is the Managing Director and Chief Executive Officer of several businesses and investments.

A few years after establishing Success Computers, he again responded to the allure of a new environment, a new challenge and a learning experience and relocated his business, to Cotonou in Benin Republic. He continues to mentor many staff working for him, transforming their lives for good through the special grace that God gave him just as he consistently displays this exceptional relationship and affection for his staff. He keeps in touch with many friends and business associates who are always flocking to him to tap from his wealth of knowledge and wisdom about business, people, culture, politics and bridge-building.

FAMILY AND RELATIONSHIPS

Mazi IGWE, Success Ukachukwu wedded his sweetheart and heartthrob, Mrs. Amarachi Bilha Igwe on 1st November, 2009, taking the vows of holy matrimony at Believers Love World (aka Christ Embassy), Cotonou in Benin Republic. Therefore, a new chapter began in his life, the chapter of being a caring, loving husband and father. Altogether, their marriage was blessed with three children: Emmanuel Chukuwemeka Igwe, Success Chibuikem Igwe and Winner Chimamaka Igwe.

To his wife, he is a backbone and moral support. Even though, like every human, he errs once in a while, he always ensures he settles any differences they have in due time. He has never driven her out nor considered leaving the marriage when misunderstandings arise. Instead, he would show love and inject more aura of peace into the marriage and family. He supports her drives and in return, she supports his aspirations and the growth of the family. He is always deliberately creating family environments where both of them are shareholders in their enterprise for family growth and proper upbringing of the children.

To his children, he is an available father who is always there to sing songs, recite poems with, tell bedtime stories and help with basic arithmetic, English, etc. He is also a strict disciplinarian, never failing to discipline his children when they veer off the right path and is in the process, imbuing in them tenets that would be instrumental to their growth as useful citizens in the future. He has promised to ensure that they are educated to any level they desire. He has also given his children the freewill to make their choices, trusting God that their upbringing would direct them in the right path. He has had such a wonderful and profound impact on the life of his family.

Also, Mazi IGWE, Success Ukachukwu is an accommodating, concerned and generous brother and uncle; a dependable friend and colleague to numerous others who are privileged to encounter and relate with him in different levels and forms of

relationship. He is generous to all with his time, talent and treasures. His house is a home and a place of refuge to many. He has in his care many others, beyond his biological offspring and relatives, whom he considers as his children and for whom he joyfully and lovingly contributes in raising as his own. In fact, he is a family man to the core, always willing to sacrifice personal comfort for the growth of his family while contributing immensely to the education of several others and his community at present. Just recently, he made the following donations to his community, Amuvi in Arochukwu:

1. Education support through payment of school fees for 20 indigent students
2. Empowerment programme through the donation of 10 brand new motorcycles to the unemployed.
3. Donation of 100 bags of rice to members of his community.
4. Grading of rural roads in his community

His open door policy towards people in his community and beyond early in the course of his life rightly earned him the title of Chief Ogbaturu Enyi Ndi Ilo Na Arochukwu, a moniker which aptly captures his proclivity to kindness, charity and philanthropy.

CHRISTIAN LIFE

Mazi IGWE, Success Ukachukwu holds tenaciously to a glorious relationship with God and his life of dedicated Christian service has seen him perform in various roles in the churches where he worships. He remains a strong Christian and he has steered his family in the right way to Christ. His vibrant faith and commitment to the Word of God and prayers is very evident and has come to characterize him. He donated the following items to the church in recent times viz:

1. Canon professional photo camera.
2. Sony professional video camera.
3. Sponsored the projector being used in his church.
4. Donated the sum of One Million Naira for the purchase of a generator in his church.
5. Donated the sum of Two Million Naira for the purchase of a vehicles in his church.
6. Yearly donation of 50 wrappers to women in the church.
7. Supply of food to Nigerian students that attend Christ Embassy

In return, he has been a recipient of the following awards for his philanthropy towards the body of Christ:

- 1) Best partnership in Rhapsody of Realities sponsorship in all of the French speaking African countries.

- 2) Number one sponsor of Love World Television.
- 3) Number one sponsor of Inner City, a philanthropic drive where the indigent members of the church are assisted.
- 4) Award of being among the top 100 sponsors of Rhapsody of Realities worldwide. This award was conferred on him by Pastor Chris Oyakhilome.

In the same way he served God in Nigeria, Mazi IGWE, Success Ukachukwu remains dedicated to his life of fellowship and worship of God at Benin Republic as his business investments grew. He is an active member of various groups and bodies in the churches and usually volunteers for causes which the Church needs services for, both in cash and in kind. His love for God and passion to serve is so palpable and can be seen even in the manner he is running his businesses and raising his children. Today, every one of the people he has impacted serves the Lord with zeal, upholding the virtues which he so lovingly expresses and inculcates in them.

SOCIAL LIFE

Mazi IGWE, Success Ukachukwu is amiable and warm to all who come in contact with him. His disciplinary nature and zero tolerance for academic and business ineptitude, indolence and waywardness drives him to carefully select his business associates and close friends. He enjoys the company of friends wherever he finds himself and he never fails to lead by example whenever needed. He is a seasoned business man, an astute investor with well-grounded commercial experiences. He possesses astute skills to mobilize and remains fully focused to adding value to any given target he is undertaking either alone or in concert with others. He enjoys good music, especially Gospel music. He very much believes that life should be filled with quality living.

Mazi IGWE, Success Ukachukwu may not have more wealth than others but he shares what he has with just about anyone who needs what little he has. He does not speak about these generosities and he never expects anything in return. He is a man who knows what an honest day's business hustle is and delivers it without complaint or failure, ever. He is also an optimist who loves to laugh and please. He is rarely, if ever, critical of people. He doesn't have an unkind bone in his body. He fills other people's lives with hope, even when there was little reason to hope. He does many things in his service to humanity but he especially loves one thing very much, he loves using his businesses to uplift the youths and place them on the path to achievements. He said it was God's way of using him to touch the needy among His flock.

SUMMARY OF HIS LIFE

This is the brief introduction of a simple and modest man. It has been said that you don't measure the life of a man by simple facts, simply told. Rather, it is measured in the truths he learned, in the times he cried, or in the bridges he burned. In his 48 years of sojourn on earth, Chief Ogbaturu Enyi Ndi Ilo Na Arochukwu has learned much and never unduly burned a bridge. He trusts the Lord in the face of any adversity, takes each day in his stride, never complains selfishly, is always full of hope and lightens every dour moment with cheerfulness. He walks through every challenge with grace, peace and faith and has never wavered in trusting the Lord.

It is my belief that this brief sojourn into the life of this great achiever, Mazi IGWE, Success Ukachukwu has shown that his life is indeed marked by these basic but simple truths: to live one's life with optimism, to be generous with one's self and with one's friends; to fill one's life with good music; that a cold beer on a hot day is one of life's greatest pleasures and most importantly, that a man must learn to live his life fully.

Thank you for your time!!!

FREIDRICH FORESYTHE

**HONOURS FOR EXEMPLARY SERVICE TO HUMANITY
ON HER LORDSHIP, THE HONOURABLE,
JUSTICE ROSELINE NONOYEM UKEJE, OFR, FNLS, FCIARB**

AN ABRIDGED PROFILE OF
HER LORDSHIP, THE HONOURABLE,
JUSTICE ROSELINE NONYEM UKEJE, OFR, FNLS, FCIARB (RETD)
THE FIRST FEMALE CHIEF JUDGE OF
THE FEDERAL HIGH COURT

Her lordship, the Honourable, Justice Roseline Nonye Ukeje, OFR, FNLS, FCIARB, navigated, wholesomely, the entire gamut of the Nigerian judicial landscape for over five decades. Even farther, her Lordship offered elegant professional and judicial services to jurisdictions, in Lusaka, Zambia (1972 – 1973), the Commonwealth of Nations, and the United Nations Organization.

Honed through the rigours of legal dynamics, technicalities and dialectics, her lordship climbed layers of growth exposures as a Private Legal Practitioner, State Advocate, State Counsel, Legal Draftsman and finally, settled on the Bench as a Judge of the Federal High Court in 1986.

Instructively, her lordship remained resolutely undeterred by the several seasons of lean remunerations, occasioned by the fledgling economic realities of those years that had the judicial arm in budgetary “swing and sway” in Nigeria.

Her lordship’s sterling reputation, till date, is hinged on the burgeoning portfolio of testimonies, eliciting from colleagues on the bench, ranking “silks” (Senior Advocates of Nigeria), Administrative staff, as well as litigants who, variously, appeared before her. Her tough stance and predilection to thoroughness, order and professionalism stood her heads and shoulders above her contemporaries.

Little wonder, upon assuming the headship of the Federal High Court as Chief Judge – the first woman so to be - on the 19th of October

2001, the judicial community hailed and heralded her ascension with fitting excitement and aplomb. She was to go on, as Chief Judge, to erect a most befitting headquarters complex for the court in the Federal Capital territory.

Her lordship, as the Chief Judge of the Federal High Court, was a constitutional member of all the bodies of the judicial High command, namely, the Federal Judicial Service Commission (FJSC), The National Judicial Council (NJC), The Nigerian Judicial Institute (NJI), The Legal Practitioners Privileges Committee, and the Body of Benchers.

Her lordship is a member of the World Jurists Association and was elected as a judge of the Commonwealth Arbitral Tribunal, London (2009 – 2013)

Her lordship's tour of duty, outside the bench, was as a consequence of the inimitable confidence reposed in her capacity, by successive military and civilian governments in Nigeria at the time. Just a few are listed, following:

- Legal Adviser, International Committee of the Second Festival of Arts and Culture, "FESTAC 77" – 1975 – 1977.
- Member, Board of Trustees, National Centre for Women Development, Abuja.
- Member, National Preparatory Committee on the 4th United Nations World Conference, Beijing, China, 1995.
- Member, the United Nations Committee on the Elimination of All Forms of Discrimination Against Women (CEDAW), for two terms of four years each – 1980 -84, 1984 – 88.
- Chairperson, Commonwealth Expert Group to Review the Plan of Action on Women and Development – 1994 – 1995.
- Served as Vice President Africa Region, at the 8th session. She was elected as International Director International Association of Women Judges, based in Arlington Virginia, USA, Chairman of the African International Association of Women Judges.

Furthermore, her lordship was a member of the National Peace Committee and, thereafter, was inducted into the Hall of Fame of Nigerian Women, domiciled in the Women's Centre, Abuja.

Her Lordship is, fittingly, an esteemed recipient of the National Honour of **"OFFICER OF THE ORDER OF THE FEDERAL REPUBLIC" (OFR)** 2006 and, same year, conferred with the fellowship of the Nigerian Law School (FNLS).

Her lordship, the Honourable Justice Roseline Nonye Ukeje had, in all the years preceding her retirement from active public service, admirably acquitted herself as a quintessential judicial and gender Avatar. With her judgments and rulings mentioned, cited and referenced in not-a-few scholarly publications, her lordship is listed among the most celebrated women in Nigeria and sundry jurisdictions, especially in the compendium, titled **"THE SHEROES OF BEIJING"**.

Though most unsparing of mediocrity, dishonesty, tardiness and cluelessness, her lordship effuses a matriarchal sense of warmth, glee, friendliness, patriotism and camaraderie. She is a proud college protégé of Queens School, Enugu and a "roaring lioness" of the University of Nigeria, Nsukka. She is a mother to four distinguished children (one of whom is the delectable former four-term parliamentarian and ranking chairperson of the House of Representatives Committee on Foreign Affairs, Hon. Nnenna Ukeje), and also, a grandmother.

Her lordship's hobbies include being a Choral Singer, strategic resource person, avid reader and writer.

Even in retirement, her lordship's patriotic fervor inspires her thoughts in the direction of contributing to the judicial space. Her incisive books, **NIGERIAN JUDICIAL LEXICON** (Ecowatch Publications, 2006), **INTRINSIC AND EXTRINSIC AIDS TO THE INTERPRETATION OF**

THE CONSTITUTION STATUTES AND PRIVATE DOCUMENTS (Ecowatch Publications, 2018) are inescapable reference materials for budding and ranking legal practitioners, jurists and sundry operators in the hallowed corridors of justice.

Now, an octogenarian, her lordship lives a healthy and vibrant life of profound accomplishments.

DE IMPERIAL PHILANTHROPIC FAMILY (DIPF) heartily confers the maiden FREIDRICH FORESYTHE HONOURS FOR EXEMPLARY SERVICE TO HUMANITY on her lordship, the Honourable, Justice Roseline Nonyem Ukeje, OFR, FNLS, FCIARB.

Congratulations your Lordship!

PROF. HUMPHREY NWOSU NWOSU (LATE)

**IN RECOGNITION OF HIS BOLD, PATRIOTIC
AND COURAGEOUS DISPOSITIONS.**

Biography of **Prof. Humphrey Nwosu**

Prof. Humphrey Nwobu Nwosu was born on October 2, 1941, in Ajalli Orumba North Local Government Anambra State, Nigeria to Chief Nwosu Nwafor, the Eze V of Ajalli, and Madam Grace Uzoaku Nwafor. Despite financial challenges that prevented him from attending secondary school, Prof. Nwosu pursued education through various vocational and missionary schools, which emphasized self-help and performance-based promotion.

He began his primary school education in 1948 at Government Primary School in Ajalli and completed it at St. Michael's School in Enugu. In 1956, due to financial hardship, Prof. Nwosu could not attend secondary school. He instead attended the Preliminary Teacher Training School, also known as Boys Vocational School, in Ohafia, Abia State. He then taught at Abakaliki Presbyterian School for a year before attending Macgregor College from 1958 to 1960. During 1960 to 1963, he taught at Abakaliki Township Presbyterian School while at the same time, he passed the London GCE Ordinary and Advanced levels through self-study.

Prof. Nwosu earned a Bachelor's degree in Political science from the University of Nigeria, Nsukka, in 1966, graduating with First Class Honors. He furthered his studies at the University of California, Berkeley, where he obtained a Master's degree in 1973 and a Doctorate degree in 1976, both in Political Science with Magna Cum Laude Honor's.

In his professional career, Prof. Nwosu worked as a Public Relations Officer for Shell BP and the Biafran Petroleum Management Board from 1966 to 1970. He then joined the University of Nigeria, Nsukka, where he served as a Professor of Political Science from 1976 to

1986. During this time, he held roles as the Head of the Department of Political Science, the Coordinator of the Sub-Department of Public Administration and Local Government, and Associate Dean of the faculty of Social Science.

Prof. Nwosu was also an accomplished author who wrote several books which has contributed significantly to the discourse of political science, administration, democracy, and electoral processes in Nigeria. His most notable works include: “Political Authority and the Nigerian CivilService” (1977) and “Laying the Foundation for Nigeria’s Democracy: My Account of June 12,1993Presidential Election and its Annulment” (2008).

In the latter book, Prof.Nwosu provides a personal account of the 1993 presidential election in Nigeria, detailing the events leading up to its annulment.

In the old Anambra State, Prof. Nwosu served in the government as the Commissioner for Local Government, Rural Development and Chieftaincy Matters and the Commissioner of Agriculture between 1986 and 1988. As the Commissioner for Local Government, Rural Development & Chieftaincy Matters, he settled all chieftaincy title disputes in the old Anambra state. He provided tar-boilers to all local government headquarters with the aim of tarring all internal roads within their domain, hence enhancing community connectivity. As Commissioner for Agriculture, he initiated the Palm for Palm program which encouraged farmers to plant highyielding palm trees. This initiative aimed to increase palm oil production to satisfy local demand and enable export of the surplus.

From 1989 to 1993, he served as the Chairman of the National Electoral Commission of Nigeria (NEC now known as INEC) playing a significant role in the country’s electoral processes. He was the architect of Option A4 also known as the Modified Open Ballot System

which was used in conducting the June 12, 1993 Presidential Election. This singular innovation led to the successful conduct of the June 12, 1993, Presidential Election which was acknowledged by both local and international election observers, as the freest and fairest in Nigeria's history. This remarkable effort laid the cornerstone for the present-day democracy we are privileged to experience today.

He shepherded the establishment of a two-party system based on ideological leanings rather than ethnic and religious considerations. Electioneering was based on policy differences resulting in election results that represented the will of people at the local, state and federal levels. Also, during his time as the INEC Chairman, Prof. Nwosu took the welfare of INEC staff seriously. He changed the status of INEC staff from ad hoc status to permanent and pensionable status. He provided accommodation for the INEC staff in Abuja when the headquarters moved from Lagos to Abuja. He provided bus transportation for INEC staff to address the lack of transportation in Abuja at the time. He also the built present day INEC headquarters building in Abuja as well as INEC headquarter buildings at the local and state levels.

Prof. Humphrey Nwosu loved his community Ajalli and made significant contributions to its development. In 1986, he facilitated the electrification of the community, followed by the implementation of various water provision schemes in 1987. He also played a crucial role in improving the local infrastructure by overseeing the tarring of several roads, including the Ajalli-Apku-Ndiopaleze-Ogbori-Aguluezechukwu road (1987) and the road from the Post Office to Obgiti Otti Palace in 1992. He also facilitated the employment of many qualified Ajallians in the various organizations that he led.

In 1992, his efforts led to the establishment of the Orumba North Local Government Headquarters in Ajalli, which attracted essential institutions to the area, such as a Divisional Police Station, NEPA Office, Motor Licensing Office, Tax Office, Sub Treasury, Magistrate

Court, and the National Electoral Commission office.

Furthermore, in 1994, he contributed to the introduction of NITEL Digital Phone Systems and the establishment of a Union Bank branch in Ajalli.

Prof. Nwosu also supported religious and community life, serving as the Chairman for the construction of St. Matthew's Parish Priest House in 1989. He single handedly reconstructed St. Mark's Anglican Church in 1993. He was an active member of the Knight of Diocese of Awka and strongly supported financially the St.Marks Anglican Church until his death. These efforts collectively enhanced the social and economic infrastructure of Ajalli.

DIPF recognizes the bold, courageous and patriotic disposition of **PROF HUMPHREY NWOBU NWOSU (Late)** and heartily confers pos-humously, the **EVERGREEN LEGENDS AWARD**, to his memory.
